

Section 3 – External Auditor’s Report and Certificate 2023/24

In respect of **Leasingham with Roxholme Parish Council – LI0216**

1 Respective responsibilities of the auditor and the authority

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it **does not** provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/>

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2024; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

2 External auditor’s limited assurance opinion 2023/24

Except for the matters reported below, on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return (AGAR), in our opinion the information in Sections 1 and 2 of the AGAR is in accordance with Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

The AGAR was not accurately completed before submission for review. The smaller authority has not addressed the ‘except for’ matter raised by the external auditor when qualifying the prior year AGAR. Assets purchased during 2022/23 had not been included in Section 2, Box 9 and should have been corrected in the prior year comparative for this year’s AGAR.

Section 1, Assertion 1 has been incorrectly completed and should have been answered no. Appropriate accounting records were not maintained and reserves were not appropriately identified. This is consistent with the Internal Auditor’s response to Internal Control Objectives A, D and J.

Section 1, Assertion 2 has been incorrectly completed, and should have been answered no. There were no financial regulations or standing orders in place throughout the year. This is consistent with the Internal Auditor’s response to Internal Control Objectives B.

Other matters not affecting our opinion which we draw to the attention of the authority:

The smaller authority has confirmed that it has not complied with the governance Assertions in Section 1, boxes 4 and 6, but it has provided the appointed auditor with an adequate explanation for non-compliance and details of the actions necessary to address weaknesses identified.

In the completion of the Annual Internal Audit Report, the internal auditor has drawn attention to significant weaknesses in relation to internal control risk reviews. The smaller authority must ensure that action is taken to address these areas of weakness in a timely manner.

3 External auditor certificate 2023/24

We certify that we have completed our review of Sections 1 and 2 of the Annual Governance and Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2024.
